Contoh Penulisan Informasi

Angket Penyediaan Informasi untuk website UNY Berbahasa Inggris

(Informasi yang digunakan adalah informasi dari
Bachelor of Education in Social Sciences, University of Hongkong)

1. Study Program Overview and Aims

(Program studi atau jurusan dijelaskan maks. 2 paragraf. Tujuan program dijelaskan dalam bentuk butir-butir)

This programme is a three-year full-time programme, which is offered jointly by the Faculty of Education. It is a programme offering both academic and professional studies. It incorporates a graduate teaching qualification and is regarded as the equivalent of a BSS plus a Postgraduate Diploma in Education (PGDE). This programme allows students to obtain two degrees in five years.

The curriculum is designed for students to:

- develop interest and knowledge in social sciences from a range of Social Sciences Majors
- develop expertise in teaching Liberal Studies and Humanities-related curricula
- identify and reflect critically upon contemporary issues in Liberal Studies and education
- develop personal strengths and professional commitment to education
- complete two degrees in five years

2. Highlighted Programs

(Program Unggulan Jurusan/Program Studi dijabarkan dalam bentuk butir-butir disertai dengan penjelasan masing-masing program)

Year 4	Free electives (12 credits)	Professional core courses (Liberal Studies Education) (48 credits, including 12 credits in Professional Practicum)	

5. Minimum Admission Requirement

(Silakan diisi bila jurusan/program studi yang Bapak/Ibu pimpin memiliki persyaratan khusus untuk calon mahasiswa yang bisa diterima)

There are no additional requirements other than the University entrance requirements.

6. Career Prospect

(Prospek karir dijelaskan berdasarkan capaian lulusan)

Graduates obtain a combined academic and professional qualification. Their thorough knowledge of the Social Science majors, broad understanding of educational issues, and high level of classroom expertise make them ideally suited to teaching Liberal Studies at all levels in mainstream Hong Kong secondary schools, and in international schools. Graduates will also have access to employment opportunities in the broader field of education as well as the many fields in which BSocSc graduates have been employed.

3. Facilities

(Fasilitas disebutkan dalam butir-butir)

- CAD Laboratory
- Digital Laboratory
- Internet Infrastructure
- AV Room
