

Mahir Berbahasa Indonesia Course

Overview

Mahir Berbahasa Indonesia (MBI) is a special program for foreigners who are interested in Bahasa Indonesia and Indonesian culture. It provides participants with the opportunity to acquire communicative competence both in spoken and written Bahasa Indonesia. The learning is conducted through a dynamic process in formal and informal settings. Meanwhile, the course material integrates the language elements (i.e., grammar and vocabulary) and language skills (i.e., speaking, reading comprehension, writing, and listening) into a communicative learning environment.

Program Excellence:

- Direct pertinence to real-life situations and constant interaction are emphasized.
- Qualified instructors and tutors are trained in both the natural approach and communicative teaching method. Every course is conducted on the basis of participants' needs.
- Private custom-designed course packages are also available.

Venue

Each course is conducted at the Office of International Affairs and Partnerships of Yogyakarta State University. The private program is conducted according to the participants' need.
